REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The Applicant claims a power source system which supplies electric power to an external device, the power supply system comprising a fuel charging portion which comprises a degradable portion made from a degradable material which is degradable into a component of natural soil; and a power generation portion which is attachable to and detachable from the fuel charging portion and which generates the electric power for the external device by using the fuel supplied from the fuel charging portion.

Applicant claims an apparatus comprising a device as described above.

The prior art of record, taken either alone or in combination, fails to disclose or render obvious, a power source system comprising a fuel charging portion which comprises a degradable portion made from a degradable material which is degradable into a component of natural soil.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Angela J. Martin whose telephone number is 571-272-1288. The examiner can normally be reached on Monday-Friday from 9:00 am to 5:00 pm.
